

# Social media calendar

We have compiled a list of dates on which we will post about the Greener cities campaign. On these dates, we will be posting on the Netherlands official accounts ([Instagram](#), [LinkedIn](#) and [Twitter](#)). We encourage everyone to like and share these posts, to show support to the wider campaign. It's also just handy, if you don't have time to create something yourself, then showing your support is more than enough.
